# Aaron Rents & Sells Office Furniture®

*The Nation's Premier Furniture Rental and Sales Company*

TO WHOM IT MAY CONCERN:

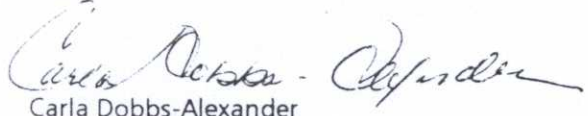

I would like to take this opportunity to recommend Around the Block Moving, Inc. for any and all your delivery and moving needs. I have been in the furniture industry for over 11 years and have never experienced a contract service that is such a pleasure to work with. All the staff at ATB has met and exceeded our expectations. Since 1993, ATB has been the final image in front of many an Aaron Rents customer. Many times, they are the final impression representing Aaron Rents, and I am very pleased with their consistently professional and friendly service.

ATB has proven to be prompt, efficient, and customer service oriented. As "Corporate America" has changed throughout the years, ATB has withstood our many challenges ... all with smiling faces and very helpful support. ATB has always been able to meet the demands of Aaron Rents delivery system.

Mike Quinn has made every effort to accommodate our needs on a daily basis for the last six years, and continues to do so. Their logo is especially fitting, "WE MAKE MOVING FUN!" The delivery teams truly enjoy what they do, and it shows. Old-fashioned friendliness is hard to find in a sometimes stressing marketplace, but ATB delivers it naturally.

I would highly recommend ATB for any of your relocation and delivery needs. I have referred them to clients in the past, which were very pleased with their performance. In addition, I currently have many customers who request the drivers by name. ATB receives my highest recognition for a superior company.
