Dear Mike,

I wanted to thank you for the excellent service your movers, Ronnie and Bobby provided me during my recent move across town. The service and quality of the move was impeccable!

It was evident that your movers truly cared about my personal belongings, and took every possible precaution to avoid an accident. It is not often I see this type of customer service. In addition, I was pleased with the speed and congeniality of your employees during my move.

Thanks again for a smooth transition into my new home.

Sincerely,

Grant Gold
