Dear Christine,

I am writing to let you know how delighted I was with the great service Bert Simms and Gary Smith provided when moving our display from the State Fair. Their professionalism was especially appreciated because ours was a small move when compared to the moving jobs they are used to doing.

Needless to say I will keep your phone number handy for other moving jobs our office at Children's requires. I will also recommend your company to associates and personal acquaintances.

Doing business with you was a pleasant experience from the time I first spoke with you to schedule the move to the actual move. Again, kudos to you, Bert and Gary for your outstanding professionalism.

Best regards,
