RE: Reference Letter
Mike Quinn
Around the Block Moving

To Whom it May Concern:

It is a pleasure to write this letter of recommendation for Around the Block Moving Company because owner, Mike Quinn, and his entire crew put forth the extra effort it took to make relocating to our new world headquarters a pleasure. I met with several companies prior to the move for quotes and to emphasize that we needed to complete the job of relocating an entire office of seventy-one employees in one weekend.

Around the Block Moving was extremely accommodating in terms of getting the job done! The movers were hard working, energetic, and courteous. Mr. Jerry Crawford, President of Jani-King International, was so impressed with one of the employees, that he asked for the employee by name to come by the new offices the following day to assist with any repositioning of files, furniture, etc. Mr. Quinn arranged to provide this extra service.

In addition, Around the Block Moving Company's bid on the job was highly competitive, assisting with my job at Jani-King, which in part, is keeping cost down. I would recommend Around the Block Moving Company for your move as well as use them again should Jani-King require relocation services in the future.

Sincerely,

Denise M. Vicari
