This letter is in reference to the service we have received from ATB Moving. We have been very impressed with their professionalism in ALL our moves.

As a national homebuilder we often need to move model furniture and/or satellite sales/construction offices from community to community. We know when we call ATB that they will arrive on time and work efficiently to make our move go as quickly and smoothly as possible.

In conclusion, it is with pleasure that I give ATB Moving our highest praise and recommendation.

Sincerely,

*Brenda Milam*
