Dear Wendy,

I want to thank you and your movers, Lee, Joe and Patrick for the excellent service I received during my recent move from Richardson to Carrollton. This was my 6th move in the last ten years and I must say this one was the least stressful. The guys took excellent care in moving my belongings.

I have already spoke very highly of your services to friends and acquaintances and will continue to do so. I plan to make another move in two years and will certainly keep your card handy.

Thanks again,

  
Willi Garrett
