Dear Sir or Madam:

On March 17, 2001 I moved from an apartment to the new mobile home I had purchased. I chose your company from the Yellow Pages. It was not the first company that I called, but it was the first who could accommodate me at the time that I needed.

On the selected day, Lee and Joe arrived on time and moved me with seeming ease. They were very professional and polite. They made sure that everything arrived in tact and was placed where I needed. They made moving a delight. We even shared a common taste in moving music.

Your company met my needs as concerned the moving date and time, and your movers were incredible. I would gladly recommend your company to anyone who was moving within the Metroplex.

Sincerely,
