Dear Mr. Quinn:

I regret that it has taken me over a month to write this letter, but Steve and I wanted to express our gratitude for our wonderful moving experience. Lee Gallardo and Pat Kirvin were without a doubt, courteous, hard-working gentlemen. They handled our possession with care, and worked non-stop to get our move done as quickly as possible.

We will be moving again next month into our new house and will look forward to having both Lee and Pat help us out again. Please extend our gratitude to these two gentlemen.

We look forward to working Around the Block Moving in the very near future.

Sincerely,

Amy Sogga
