#### ▶ **Comments:**

05/11/2010: These guys moved me right after Christmas. It was snowing really hard, and looked like it was going to be a horrible day. They did a great job however, they were prompt, helpful, and funny. They never once complained about the temperature, the snow, or the fact that I was moving from the third floor into a new home. They went above and beyond helping me arrange my things, and even put some furniture together for me! I would highly recommend this moving company to anyone!
